The Lourdes pastoral theme this year completes the three linked themes from Our Lady's instruction to Bernadette to *go tell the priests* (2022), to *build a chapel here* (2023) and now finally in 2024, to **come here in procession.**

The significance of the theme increases when we realise that **procession** in this context, means also a **pilgrimage**: "If Bernadette had not been Bernadette, Lourdes would not have become the meeting point of the Christian world.
